FORENSCOPE
Innovation for Forensics

SAFE pro2

PORTABLE FORENSIC POWER IN YOUR HAND
UNMATCHED 48 MP RESOLUTION
CRYSTAL CLEAR 4K VIDEO CAPTURE

- 6,5” Full HD+ Screen
- Ring Filter System Full Spectrum, Polarizer, Yellow, Orange
- Create & Export Detailed Patient Reports
- Patient Management System
- Light System White, White-PW, Blue1, Green
- UV (UVA) VIS & Polarizer High Resolution Multispectral Camera
- Compact & Mobile
- Real Time RAW Imaging
- Compare Function

SPECIALLY DESIGNEDFOR FORENSIC MEDICINE PRACTITIONERS

All in One for Sexual Assault Cases
Capable of detecting Body Fluids, Body Examination (Nail marks, Bruises, Bite Marks) and more.

Crystal Clear 4K Video Recording
Auto capture mode allows all combinations to be shot one by one & saved in the album automatically

Perfect Imaging
Depth of field and perfect imaging on complex surfaces, Ability to take instant and rapid RAW photos with 48 MP camera

Compact & Mobile
We packed unique lights, filters and patient management system under just 1 kg.

PRODUCT FEATURES

- Mobility
- Continuous Autofocus
- 4K Imaging
- Handle
- Up to 4-6 Hours of Continuous Illumination
- 48 MP Camera
- 10x Digital Zoom

- UV - VIS - IR Multispectral sensor, 4 narrow bands
- 6,5" inch, 2340x1080 pixel, high quality touchscreen
- 128 GB memory, 8 GB RAM, 2.2 GHz CPU
- High-quality impact resistant, lightweight aluminum body and battery
- Quickly export case folders with WiFi, Bluetooth and USB

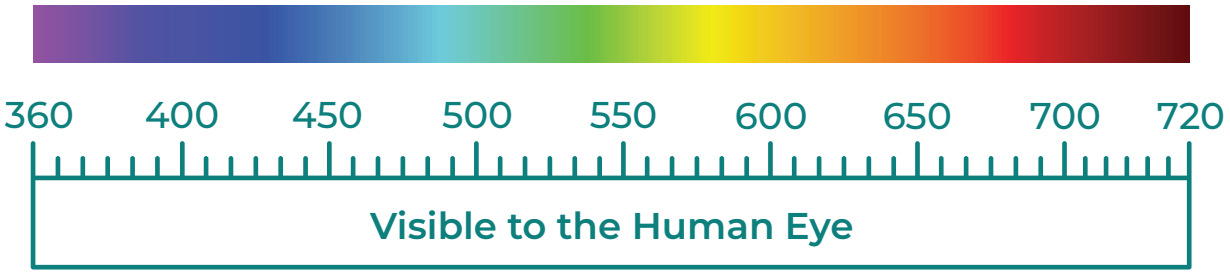

FEATURES

1. Manual control filter & light system via control software.
2. High-quality Full HD+ resolution real-time imaging and 4K video recording.
3. High-powered light system for long distance imaging.
4. Camera spectral range from 360nm ± 20nm to 720 nm ± 20nm.
5. Unique real-time image comparison.
6. Android operating system and integrated ForenScope PMS (Patient Management System).
7. Measure, draw, compare, overlap, opacity swap, and much more editing functions.
8. Built-in Wi-Fi, Bluetooth, GPS features and built-in SIM Card slot for connection. Advanced connectivity, anytime and anywhere.
9. Multi-user support and admin page management.
10. Archive and export data and detailed case reports via USB.
11. Backup and restore with it's case management system
12. Type C, 45W fast charger.
